## SHOTS

ONLY AT THE RUSTED ROOST....

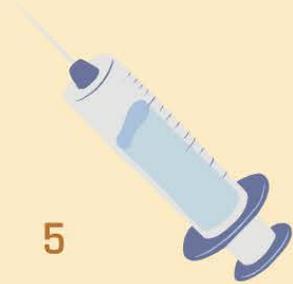

### THE TETANUS SHOT 5

Tequila • Lime • Orange • Sweetener

No insurance required! This ain't your average jab.

Rusty's Signature Tetanus Shot is a dangerously smooth mix of tequila, bright citrus, and a touch of sweetness—just enough to make you forget the burn

Sharp, dirty, and probably not FDA approved

#### BABY GUINNESS

Rich layers of coffee liqueur & Irish cream. Small, creamy, and goes down easier than your... yeah, exactly

Vodka, Lemon, Simple syrup. This citrusy classic is your go-to for pretending you're classy while you're drinking at this dive bar

6

#### JAGERBOMB

Jägermeister & Red Bull  
Launches you into orbit with equal parts chaos and caffeine. Buckle up!

6

#### BLOW JOB

Irish cream, Coffee liqueur & Whipped cream. Perfect for birthdays, dares, or when you're three drinks past dignity

6

#### SLIPPERY NIPPLE

Sambuca & Irish Cream  
Sweet, smooth, and just inappropriate enough to make Grandma blush

Crown, Apple Schnapps, Cranberry  
Crisp & tart. Nothing says "good decisions" like whiskey disguised as fruit

Shot of absolute chaos. Four dudes, one glass, zero foreplay. It's a brown liquor pony pile-up that you'll feel in the morning

6

Kahlúa, Irish Cream & Whiskey.  
Dumb name, serious kick. Comes together like a bar fight in a glass. Don't ask, just blame the duck

Buttershots & Apple Crown  
Like biting into a carnival classic—if the carnival had a liquor license

Velvety, sweet, and smoother than a cowboy's pickup line. Except this will leave you satisfied
